## **1. General Information**

### **The Aim of the Entrance Examination**

The aim of the entrance examination is to test English language proficiency and communicative competence necessary to enroll in a Master's Degree Program in Linguistics, code 45.04.02. Successful candidates should meet the requirements for C1 level of the Common European Framework of Reference for Languages and demonstrate advanced communication skills.

### **Entrance Examination Format and Timing.**

#### **Assessment Criteria**

For Russian citizens and for citizens of other countries, the entrance examination for the master's degree program in Linguistics, code 45.04.02, is conducted in oral form.

The oral examination in English includes a talk on a given general topic and a comprehensive answer to a question on intercultural communication.

An interview with one candidate takes 30 minutes.

The results are assessed according to a 100-point scale. The final result is the sum total of points gained for two examination questions.

Candidates can earn up to 50 points for their talk on a general topic and up to 50 points for their answer to the question on intercultural communication.

Candidates can bring the following items to an examination: a pen, a pencil, an eraser.
