

MISIS welcomed all the new comers to our family with the welcome party to get acquainted with each other and get familiar with Russian culture. We are very much pleased to have many international students from all over the world who joined our family.

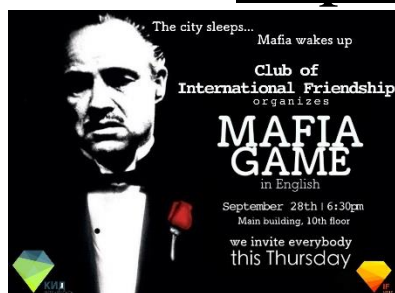

We would really appreciate if you provide feedback on what interests you, publications that you have found useful, or problems that you have encountered. All contributions are most welcome and could be included in future editions. Please forward them directly to mp@mis.ru

Moscow, Russia

Welcome to our Newsletter October 2017 edition! We are very pleased to have a very first snow in Moscow. Though it started getting cold quite early and some of the people are not liking it, because the summer was of very short period. All our new students are enjoying the first snow by roaming around and discovering the beautiful, fascinating places in Moscow.

Top Stories of the Month

While someone was chilling in the dorm and drinking liters of tea to warm up this cold September night, the hot season of English Mafia! On 28 September International Friendship Club of NUST "MISIS" carried out the first Language Club in this term. We were pleased to meet new people. Traditionally, Language Club is completely in English, it makes a perfect option for Russian and English-speaking students to play Mafia and have fun without any barrier.

On September 25th, 2017, NUST MISIS specialists in the fields of photovoltaics and semiconductors held a joint seminar with their colleges from ASU. Professors told their Russian colleagues about their research projects, as well as about ASU's infrastructure. For the third year in a row, the University was highly ranked in the U.S. News & World Report ranking. **Details:** <http://en.misis.ru/university/news/science/2017-09/4887/>

Six students of NUST "MISIS" became the winners and prize-winners of the "Student of the Year in Moscow - 2017" contest, supported by the Ministry of Education and Science of the Russian Federation and the Russian Youth Union. Awarding of the winners took place on October 12, 2017 in the RGU named after G.V. Plekhanov. **Details:** https://vk.com/album-62258607_247893465

International Horizon

Attention:

Visa & Registration: Students who already applied for new registrations after arriving back to Moscow can receive their registration slips from the office by searching their names on the list posted on the notice board. **Details:** <http://en.misis.ru/campus-life/regulations/>

Dormitory: It is requested to all the students to pay their dormitory fees on the time.

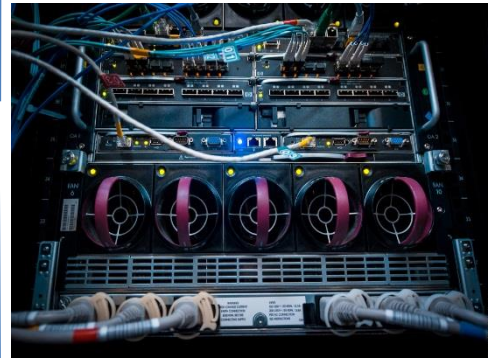

Every semester, MISiS arranged lectures/seminars on several technical topics given by post-doctorates who shared some of their ongoing research with the students which might fascinate them. This use to be an excellent opportunity for them to listen to on-going research, explore new topics, ask questions, and share ideas.
