

Pre-University programs of NUST MISIS

Natalia Sedykh
Head of the Pre-University Education
Department

NUST MISIS Open Day

21.12.2024

Engineering and Technical Oriented Program

Preparation for Bachelor's degree, Specialist's degree, Basic
higher education

900 ac. hrs Russian language

122 ac. hrs Mathematics

100 ac. hrs Physics

100 ac. hrs IT

66 ac. hrs Chemistry

1288 class hours*

scope of program

225 400 RUB

cost of the program

intramural

form of study

from October through August
(11 months)

length of studies

from May 01 through
August 15

Document submission
deadlines

Classes are held
in the morning

Mode of studies:
5 times a week,
6-8 ac. hrs a day

Winter break:
a week in February

Summer break:
from mid July
through August 31

*including final certification

Engineering and Technical Oriented Program

Preparation for Master's degree, Specialized higher
education, PhD degree

900 ac. hrs Russian language

122 ac. hrs Mathematics

100 ac. hrs Physics

100 ac. hrs IT

66 ac. hrs Chemistry

66 ac. hrs special course

1288 class hours*

scope of program

250 490 RUB

cost of the program

intramural

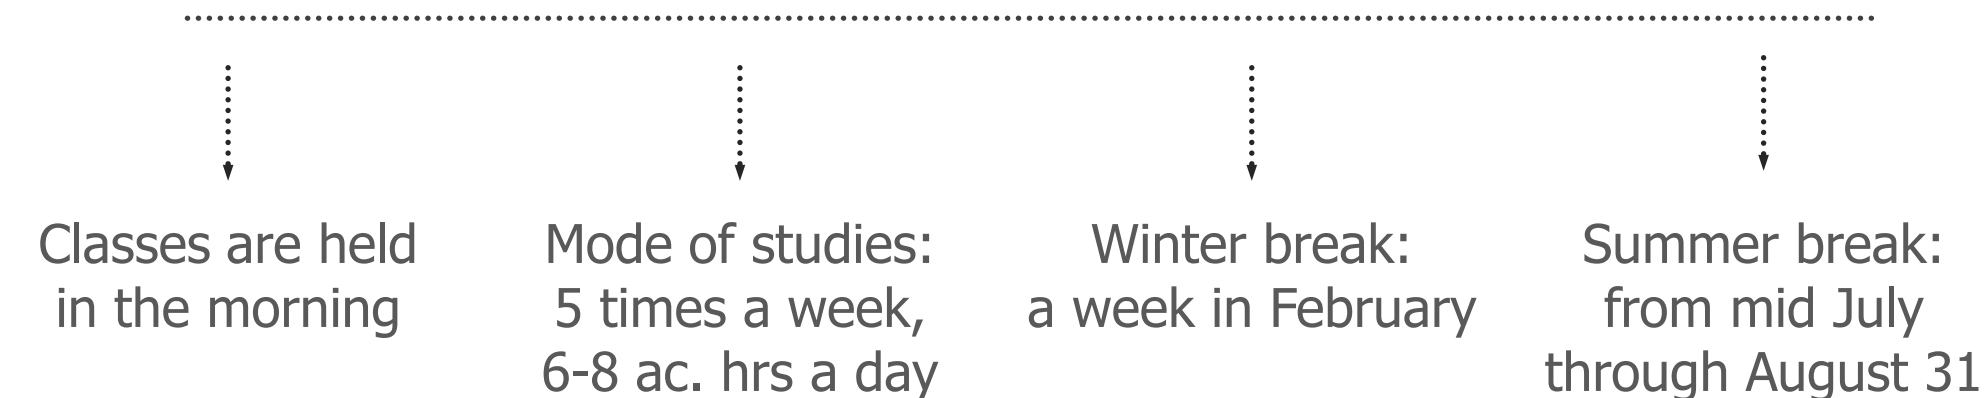

form of study

from October through August
(11 months)

length of studies

from May 01 through
August 15

Document submission
deadlines

*including final certification

Natural Science Oriented Program

Preparation for Bachelor's degree, Specialist's degree, Basic
higher education

900 ac. hrs Russian language

122 ac. hrs Mathematics

100 ac. hrs Physics

100 ac. hrs Chemistry

66 ac. hrs IT

1288 class hours*

scope of program

225 400 RUB

cost of the program

intramural

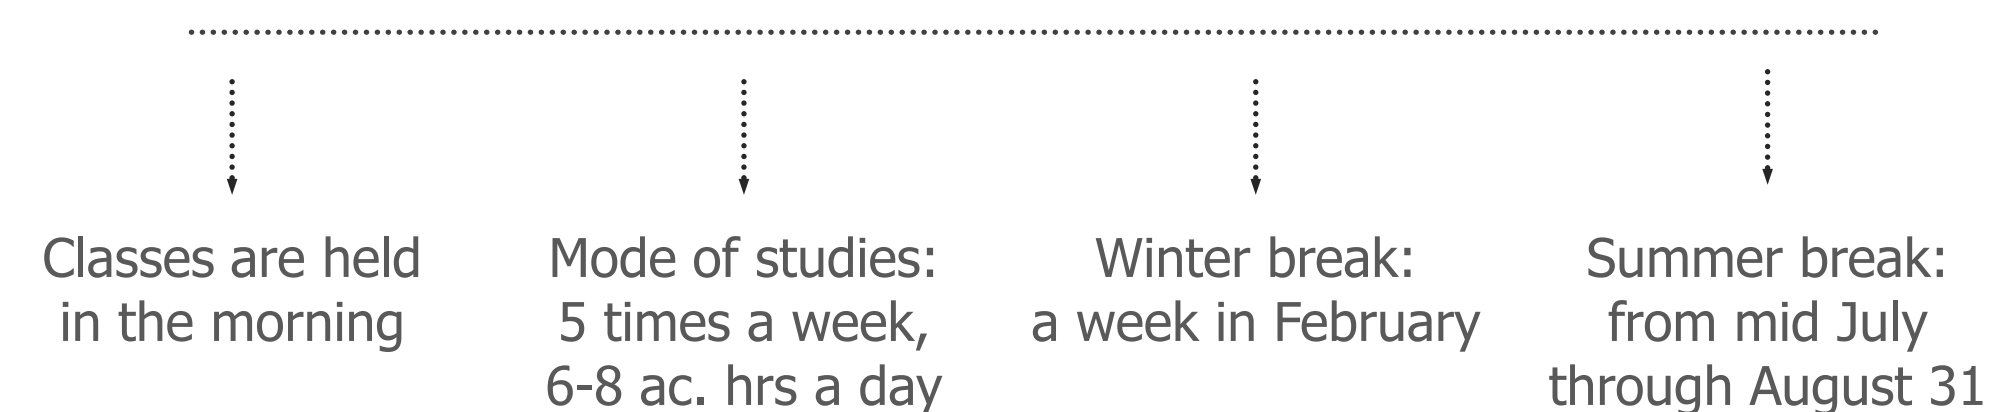

form of study

from October through August
(11 months)

length of studies

from May 01 through
August 15

Document submission
deadlines

*including final certification

Additional Educational Program of Studying Russian

630 ac. hrs Russian language

110 250 RUB
cost of the program

from October through August
(7/11 months)
length of studies

intramural
form of study

from May 01 through
August 15/ November 01
through December 01
Document submission deadlines

Classes are held in the morning

Mode of studies: 5 times a week,
4-6 ac. hrs a day

Educational process

Classes are held by experienced highly competent lecturers

Participants of the Preparatory Department are provided with educational materials

Classes are conducted in modern multimedia classrooms

Education in the Preparatory Department is completed by final exams

Graduates of the Preparatory Department are granted with the relevant certificate of graduation

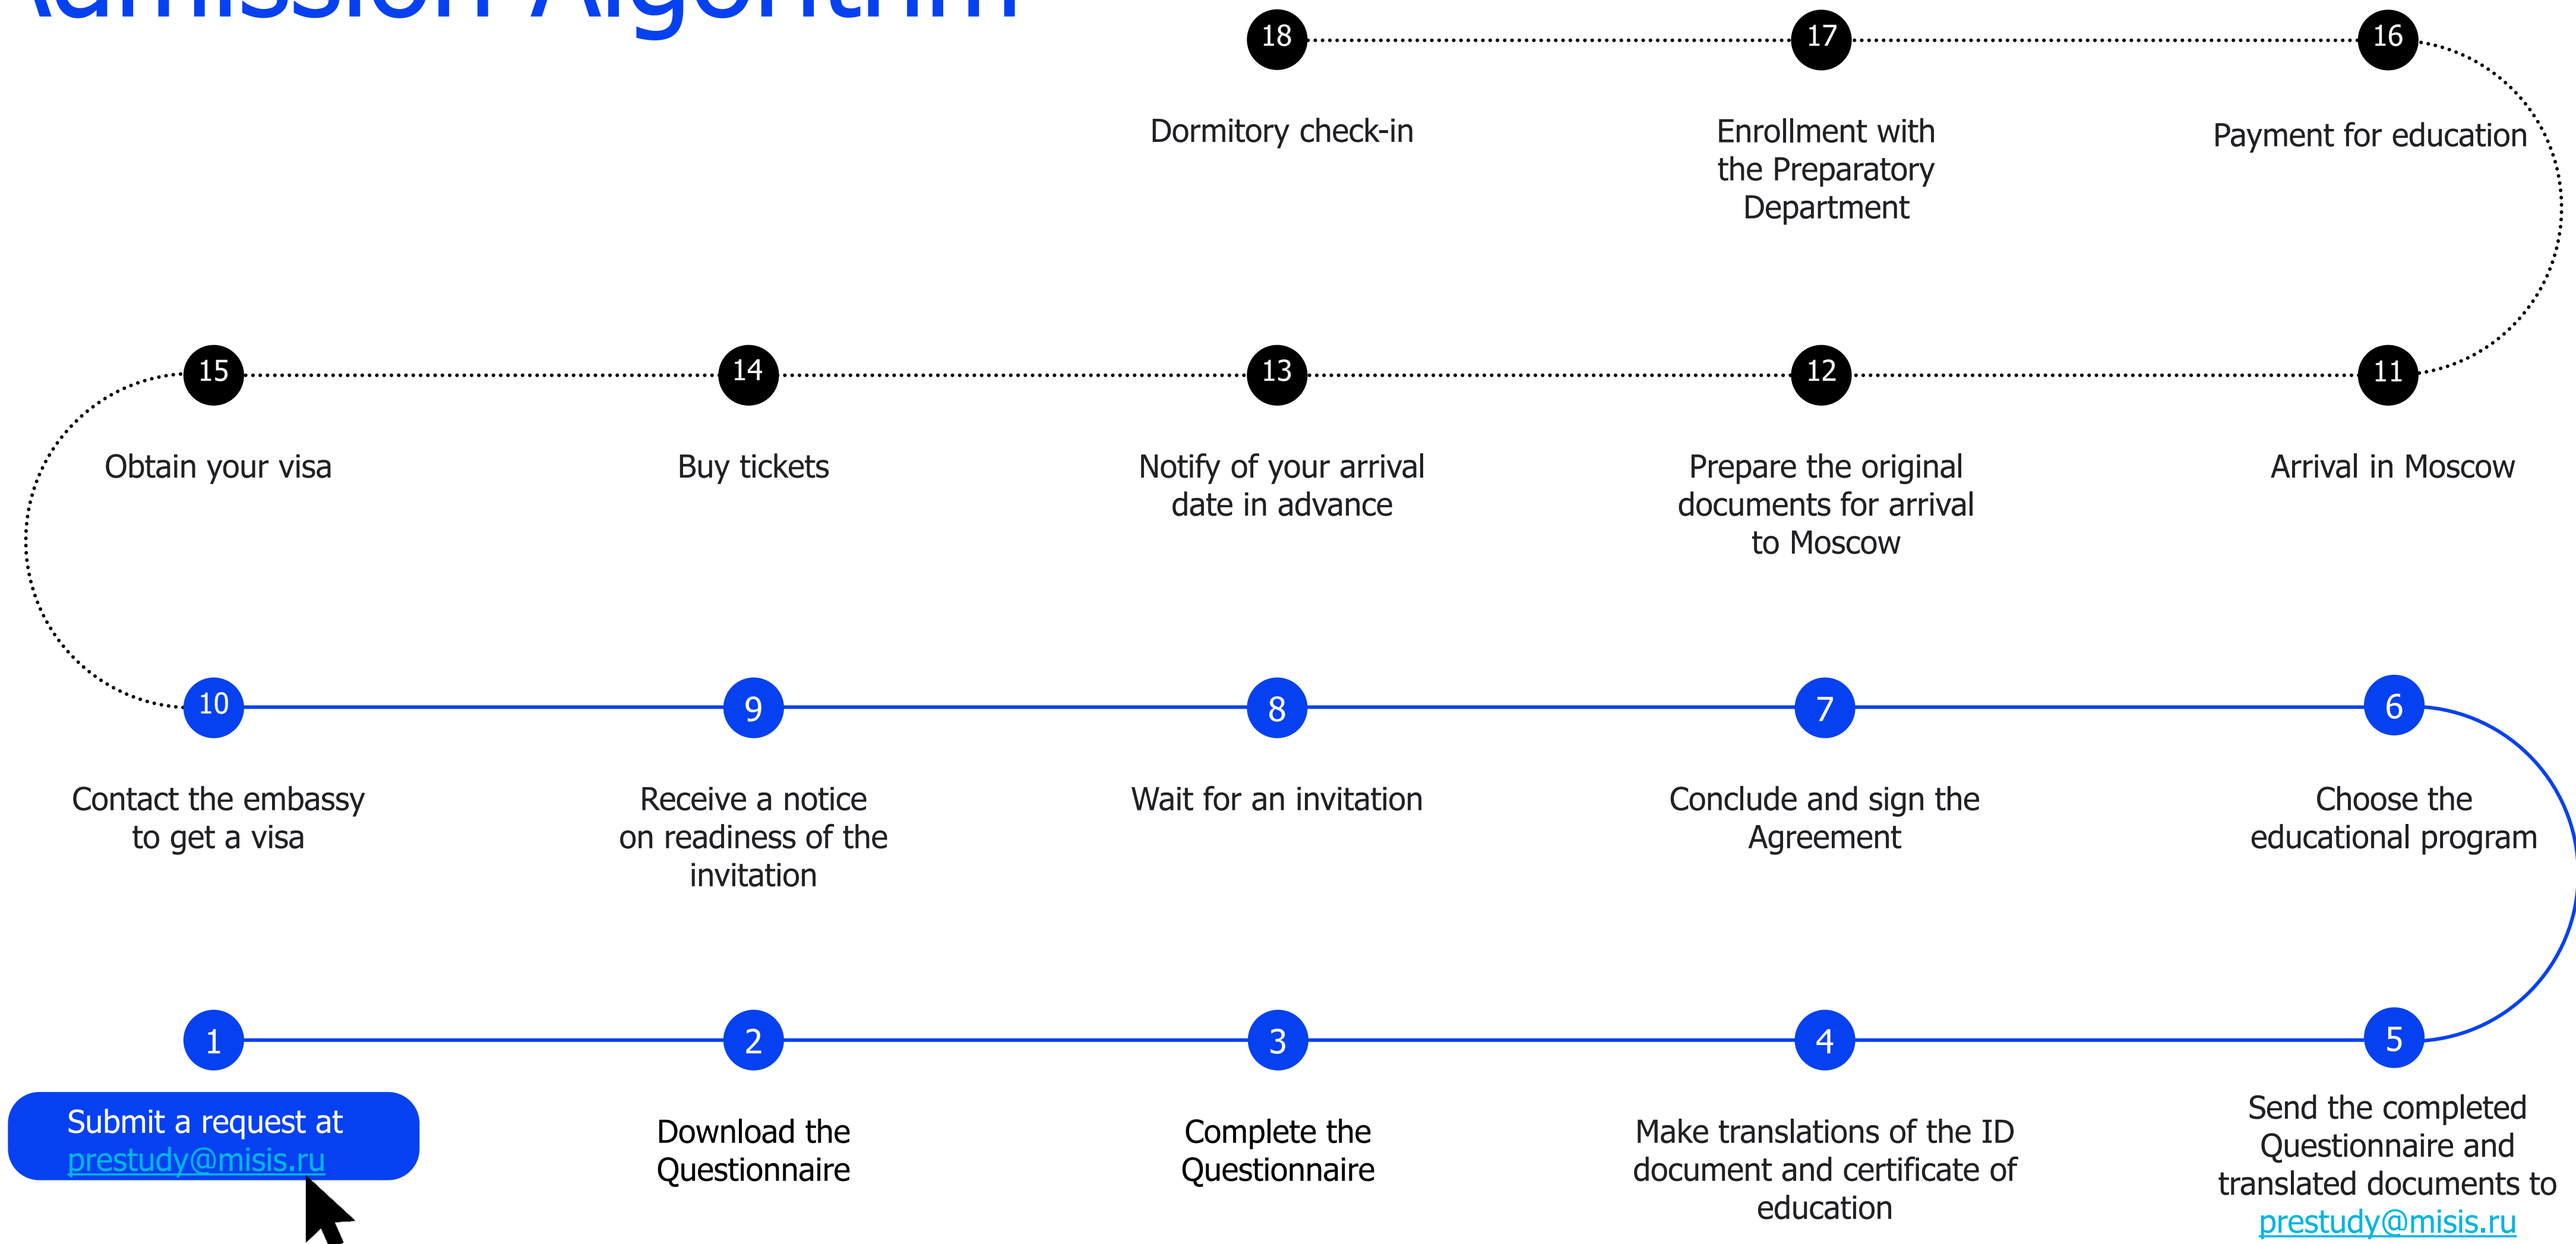

Important!

Final exams at the Preparatory
Department do not constitute
admission exams for NUST MISIS

All graduates of the Preparatory
Department take Unified State Exams or
admission tests and are enrolled with
NUST MISIS on general terms pursuant
to the NUST MISIS Admission Rules

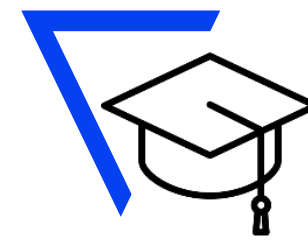

Admission Algorithm

Which Documents are Required?

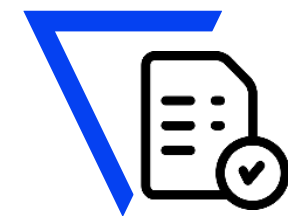

Questionnaire of a candidate for education in certain form (participant) with an indication of the code and full name of the future major

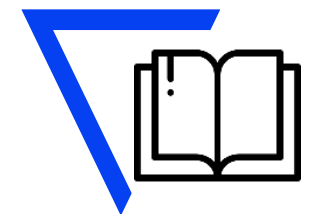

Medical certificate attesting to the absence with the candidate of counterindications for studying in Russia

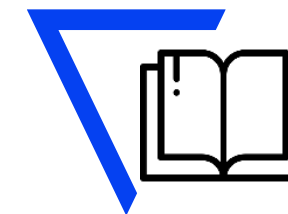

ID document (national passport). Duly certified translation thereof to Russian

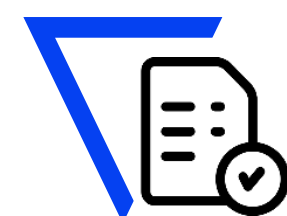

Written consent of legal representatives (parents, adoptive parents or guardians), if the candidate is under eighteen

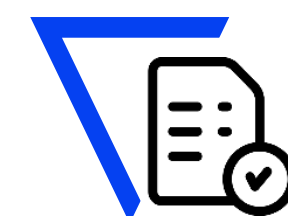

Certificate of education with the supplement. Duly certified translation of documents to Russian

Other documents as desired by the candidate attesting to his/her completed education or acquisition of knowledge

Certificate of absence of HIV infection

Four pictures sized 3x4 cm

When to submit documents

From May 1 through
August 15,
if studies start in October

From November 01 through
December 01,
if studies start in February

**Please keep in mind that the period for issuing
an invitation is ~ 40 days**

Dormitory

NUST MISIS academic buildings are situated in the very center of Moscow, near the subway and other public transport, 2 km from the Red Square and the Kremlin

Campus «Gornyak»

Campus «Metallurg»

DSG dormitory

Dormitory «Dom-Kommuna»

Monthly cost ranges from
RUB 2,600 to RUB 4,400

1

NUST MISIS campuses are located in only a 10-20 minutes' subway ride from academic buildings. Dormitories are equipped with the high-speed Internet, computer and reading classes, a swimming pool, sports complex, hair studio and laundry. A canteen for 60 seats that serves tasty and inexpensive meals is open all day long

2

The Campus «Metallurg» that wins the award of the best student dormitory of Moscow for the third consecutive year hosts the NUST MISIS healthcare center with a drugstore and dentist's offices
Master's degree and postgraduate students are accommodated in the «Dom-Kommuna», a reconstructed monument of the constructivism era

Thank you for your attention!
